# NEW SERVICES

**Mobile Health Program** is grant-funded through March 2025 and offers COVID-19 testing, resources, and support in partnership with agencies across nine Bay Area counties.

**Whole Family Services** philosophy refrains from categorizing individuals based on the harm they've experienced or caused, instead viewing them as integral parts of a system where harm has transpired.

# THANK YOU!

We're deeply grateful for your incredible support, which has made 2023 an extraordinary year for us! With your generosity, we've extended our services, reached even more individuals through our programs, and expanded into new areas with our Mobile Health Program. Your boundless kindness and support have been the driving force behind our remarkable achievements!
